Overview

A career is a journey through different jobs over time. We need to make informed choices about options and the skills we need.

Post-16 Pathways (College, Sixth Form – BTECs, A-Levels)

+

Post-18 Pathways (University, Apprenticeships)

A-Levels / University: Learning without Training

BTECS / Apprenticeships: Learning with Training

**To best prepare for your career: learn to communicate your skills
(including on your CV or applications)**

Overview

It is important to experience places of higher study or work, and to familiarise yourself with LMI

I can help with this, but so can people at home, or any member of staff

Work Experience

Nearly 1/2 of you have secured places.

If we **haven't had a 121 yet**, don't worry. We can use that time to discuss your career ambitions and help you.

Forms have been emailed out to you and Guardians.

REMEMBER: To best prepare for your career: learn to communicate your skills (including on your CV or applications)

University Choices

Most of you have received decisions.

Please email me if you need help contacting admissions departments.

Once you have all **five** decisions, you can then select your **firm** and **insurance** offers.

Y10 + Y12: You will all be using the UCAS process to ensure you keep those options **open**.

Finally...

Ensure you attend any meetings with Ms Edwards (Thursdays) or myself

Please continue to check your emails, as I email out opportunities, guidance, and labour market information every week.

Ms Cooper / Mr Gentile
