Careers at Sedgehill Academy

Dear Parents & Carers of Students in Y13,

We are delighted to share that the majority of our Year 13 students have now submitted their UCAS applications, taking an important step toward their futures. This is a moment of real pride for the whole school community. Our students have shown ambition, maturity, and determination, and we look forward to celebrating their offers in the months ahead.

Additionally, all our students have received their 1-2-1 with the Careers Lead.

For those who are still finalising their applications, please be reassured that there is still time, and we are here to support every student through to completion. Tutors, the Sixth Form Team, and our Careers Lead are all available for final checks, personal statement guidance, and course advice.

We encourage parents and carers to continue motivating students to finish their applications as soon as possible—early submission ensures the best chances of receiving offers and reduces pressure later in the year.

Thank you for your continued support. Together, we will help every student take the next confident step in their journey.

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
