Careers at Sedgehill Academy

University Pathways Session

Dear Parents & Carers of Students in Y11,

It has been an incredibly exciting and stressful time for our Y11 students. We are incredibly proud of all they have achieved, and thankful for the support of every one of you at home.

As part of their Gains Week programme, all students have received a talk from our Careers Lead regarding the route to University which we hope awaits the vast majority of our students.

As part of this session, all students completed a questionnaire which detailed their plans for applications and for their careers. We will be in touch in due course regarding the questionnaire, particularly if your child mentioned that they wished to receive extra careers support.

Students also wrote a first draft of a cover letter which can be used for applications to Sedgehill Academy Sixth Form and, eventually, their university applications in 2027.

This statement was completed on Microsoft Forms, and your child still has access to what they wrote. You can find the link in their school email inbox.

We encourage you to read what they have written and to discuss their future steps with them.

We look forward to welcoming them back for Sixth Form!

A very Merry Christmas to those who celebrate it, and the very best wishes for the New Year.

Please note that additional talks regarding alternative pathways into careers have been planned for the final week of term.

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
