Careers at Sedgehill Academy

Dear Parents & Carers of Y13 students,

We are fast approaching the UCAS deadline for university applications this year.

By the end of next week, every student in Y13 will have had their 121 with me and will have their reference and predicted grades completed.

All Y13 students need to ensure they have completed **all sections** of their UCAS application. To support them with this, please encourage them to log onto UCAS at home, and to complete the tasks they were given by Mr Stuchfield on the follow-up slip.

To support the timely submission of UCAS applications, the following will occur next week:

1. There will be a final assembly running over the key action points on Tuesday with Ms May and Mr Stuchfield;
2. Mr Stuchfield will be in the Sixth Form centre between 10-11am and 3-4pm every day next week to help students finalise and submit.

If your child has been in receipt of FSM, they will not have to pay to submit.

If they have **not been in receipt of FSM**, they will need to bring a valid bank card into school to pay the entry fee of £28.95. Without this, the application cannot be submitted.

Yours sincerely,

Mr Stuchfield
Associate Assistant Principal
