

4th December 2025

Careers at Sedgehill Academy

Dear parents & carers of students in Y10,

We are thrilled to be launching this year's Construction Youth Trust programme with Year 10 students.

The Trust are a fantastic organisation with links to a wide variety of employers in the construction industry, from law firms to tradespeople. More information on CYT can be found [here](#).

The programme will require students to initially commit to **four after-school sessions** of around 60-90 minutes each. The sessions will focus on building their knowledge of the workplace and the skills employers will be looking for. The sessions will be held in the library at 3.05pm on the:

15th January

12th February

12th March

16th April

For those who truly engage with and enjoy the programme, there is the opportunity for sessions to continue into the first half of Year 11, and to include **site visits** and **an entire week of work experience in the construction industry** between the 22nd and the 26th June.

If your child is interested in this opportunity, please fill out the Form below.

[Construction Youth Trust Sign-Up – Fill in form](#)

Students are always welcome to speak with me in **D012** regarding their careers.

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
