Careers at Sedgehill Academy

Unifrog use in school

Dear all,

This afternoon, you/your child will have received an email from Unifrog.

This is a platform we have used intermittently over the past two years to supplement our core careers provision.

However, we will now be using it regularly in lessons and tutor times to improve the guidance we provide.

Therefore, please ensure that you/your child attends school every day with a charged Chromebook and access to Unifrog. There will be an email and a login nudge from me in your Outlook inbox.

Students are always welcome to speak with me in the atrium careers office.

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
