UCAS offers and acceptance deadlines

Dear all,

UCAS applicants who receive all decisions by 13 May must reply by 3 June, or their application will be declined by default. Applicants can only reply once they've received all decisions.

There are currently 11 students in this position.

2 students are still waiting to hear from one university apiece.

Please let me know if that will be an issue, or you are concerned about anything.

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
