Careers at Sedgehill Academy

Y8 & Y9 Assembly

To all students and parents in Years 8 & 9,

Yesterday, I delivered an assembly focused on having discussions around the future world of work.

We discussed the largest areas of growth in UK industry, found below, and I encouraged students to discuss where they may like to go in future with people at home.

There are also some careers quizzes here that can provide a great starting point. You can also bring these results to me and we can continue discussions at school in a Careers meeting:
