Careers at Sedgehill Academy

Scholarships for Undergraduates

Dear Carers of and Students in Y13,

Now is the time to apply for any scholarships which may assist you with living or tuition costs at University.

Nearly all scholarships require you to **have already completed your Student Finance England** application.

Please see below for structured advice.

Step 1: Complete your SFE application. You will need proof of household income to complete this. Found [here](#).

Step 2: Use national scholarship search engines to filter any eligible scholarships. The largest three are found below, but there are more online:

[The Scholarship Hub](#)

[UCAS Scholarships](#)

[Study UK](#)

Step 3: Search for additional scholarships based on your personal criteria.

1. Location – UK-only, international, or specific countries
2. Level of study – sixth form, undergraduate, postgraduate
3. Subject area – e.g. STEM, humanities, arts
4. Citizenship/residency status – many scholarships are very strict here
5. Academic requirements (predicted grades, GCSEs, etc.)
6. Financial need (means-tested vs merit-based)
7. Background criteria (first-generation student, specific schools, etc.)
8. Extracurriculars (leadership, volunteering, sports)

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
