Careers at Sedgehill Academy

National Careers Week

Dear Students and Guardians,

Today marks the first day of National Careers Week.

As part of our continuing drive to promote student ambition and provide bespoke careers guidance, there is a number of useful links below:

The Sedgehill Careers Quiz 2026: if you have yet to fill out the careers quiz, please ensure you/your child does so as a matter of priority. I can only provide generic careers advice without this insight. Link [here](#).

The Careers Download: a fantastic resource produced for NCW2026. Contains links to opportunities and discussion points. Link [here](#).

The Career Finder: UCAS's fantastic careers quiz has been updated for 2026. Provides careers suggestions based on your answers and tells you how to get there! Link [here](#).

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
