Applications for the Year 12 Sutton Trust UK Summer Schools are open

Dear Parents & Carers of Y12 Students,

The Sutton Trust Summer Schools applications are now open. We highly recommend these high-quality offerings.

Summer Schools offer:

- A free week on campus at a leading university, alongside an 18-month digital programme packed with webinars from universities and professionals.
- Expert help with university applications and exam prep.
- And long-term access to exclusive job opportunities, events and career support

Summer Schools come with access to the digital programme Sutton Trust Online and are perfect for anyone who wants to smooth the transition to higher education, boost their UCAS applications, or test out if university is right for them. Summer schools are suitable for students in Year 12 (England and Wales), S5 (Scotland) or Year 13 (Northern Ireland) who are, and always have been, state educated.

Most applications close 5 March, but applications for all programmes at the University of Cambridge close 12 Feb. Students should apply [here](#) and inform **Mr Stuchfield and Ms May** when they have applied.

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
