## Careers at Sedgehill Academy

### University Subject Discovery Fair

Dear Parents of, and Students in, Y10-13,

On the 18<sup>th</sup> March between 4pm and 6.30pm, there is a fantastic national university taster evening taking place online.

This is a free event and will be invaluable to those of you thinking about post-18 education.

Sessions are run by a variety of the nation's leading universities, including Manchester and King's.

From finance to nursing, law to creative arts, and engineering to teaching, the Subject Discovery fair is a great opportunity to find out all about studying at university and get all your questions answered by the experts. Join universities from across the UK to speak to their representatives via Q&A, and attend live sessions to get an insight into the exciting subjects you could be studying!

Sign up can be found [here](#).

Students are always welcome to speak with me regarding their careers. Find me in **D012** or the **Atrium Careers Office**.

Yours sincerely,

**Mr Stuchfield**
