Careers at Sedgehill Academy

Y12 University Open Days

Dear Parents & Carers of Y12 Students,

I trust you have had a restful festive period.

This year will see the beginning of our combined efforts to support our young people in their University applications.

The biggest barrier to a successful application is students not knowing which universities or courses they would like to study.

In the coming term, Ms May and I will run sessions on the different pathways available to school leavers, as well as different courses. It is up to students to research which universities may be of interest.

I would highly recommend attending university open days as soon as possible. A list of all open days can be found [here](#).

Students are always welcome to speak to **Mr Stuchfield** or **Ms Edwards** in the **Atrium Careers Office** whenever they wish.

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
