## Careers at Sedgehill Academy

### Grant Thornton Experiences

Dear all students & guardians of KS5,

I am excited to offer you a remarkable opportunity to step into the vibrant and ever-changing world of accounting, tax, consulting, and business services.

Join us at the Grant Thornton offices at four different locations (Cardiff, Bristol, Oxford and Edinburgh) for an unparalleled opportunity to network and discover what it's really like to be part of a leading accounting firm. These events are for school students and offer opportunities to learn about internships, work experience, and apprenticeships at a global firm.

You will have the chance to participate in workshops and network with the firm's service lines and their teams. You will meet partners, managers and trainees across all their core business service areas, so you can find out which part of Grant Thornton is the right fit for you.
