Careers at Sedgehill Academy

Law Pathway: Bar Council

Dear Parents & Carers of Students in KS4+5,

As part of our commitment to providing current labour market information to all students, please see the updated careers guide from the Bar Council – the country’s governing body for barristers.

The guide, found [here](#), gives a detailed overview of the journey into law, but ends with some accessible links to further careers guidance on the final page.

Feel free to email me if anything in the guide strikes a chord.

For parents and carers of students in Y10 or Y12, this may be an angle for your **Work Experience** discussions.

Students are always welcome to speak to me in **D012** or the **Atrium Careers Office** to discuss their career plans.

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
