M&G CV Review

Dear Students and Guardians,

We have a fantastic opportunity for 20 students to have their CVs read and improved by executives from M&G. M&G is a global investment management firm listed on the FTSE 100 Index, and this is offered on a first come, first served basis.

We still have **5 spaces available**.

Students who are interested should send their CVs to tom.stuchfield@sedgehillacademy.org.uk as soon as possible.

Students are also always welcome to speak to me in **D012** or the **Atrium Careers Office** to discuss their career plans.

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
