Careers at Sedgehill Academy

DEI programmes | Penningtons Manches Cooper

Good morning, all,

Please see below for a fantastic opportunity.

Law Summer School

Aimed at students studying in years 12 and 13, our five-day programme will introduce you to solicitors and central team professionals at our firm, who will give you an overview of the work they do. There will be hands-on interactive sessions looking at real world issues and developing the skills required to help our clients tackle them. There will also be skills workshops to help your own personal development, from teambuilding to marketing and networking skills.

But that's not all! You will also get a chance to understand the different routes into the legal profession, and we will run a CV workshop to give you some pointers about how to help you stand out when applying for jobs or university.

The programme takes place in our London office and individuals must be within a commutable distance to London.

Travel expenses are covered in advance and lunch is provided for all participants.

Our 2026 programme will take place between Monday 13 – Friday 17 July 2026.

[Click here to apply now](#); the deadline for applications is 27 February 2026.

Students are always welcome to speak with me regarding their careers. Find me in **D012** or the **Atrium Careers Office**.

Yours sincerely,

Mr Stuchfield

Associate Assistant Principal
