Careers at Sedgehill Academy

Work Ready Events

Dear Parents & Carers of Students in KS3,

As part of our commitment to promote student knowledge and independence around careers, I am excited to bring your attention to the below opportunity.

The BT Group, one of the largest communications companies in the UK, is offering virtual bootcamps to students aged 11-14. These are a unique chance to step into the digital world of work and experience a 'day in the life' with BT Group. With National Careers Week approaching, it's the perfect time to discover exciting career possibilities.

Last year, over 5,700 young people learned about digital careers and more than 250 schools connected with digital industry professionals.

Sign up for a Work Ready event today using [this link](#). Please **let me know** if you are attending.

The following dates are available:

Students are also always welcome to speak to me in **D012** or the **Atrium Careers Office** to discuss their career plans.

Yours sincerely,

Mr Stuchfield
